## “Erotic mobile video adventures”

Become Casanova and try to seduce beautiful girls in **interactive mobile video adventures.**

You will play the main role in this game, trying to tempt beautiful girls with your clever conversation and your charm. Each game and girl is unique. A range of different scenarios and real life situations: in a hotel room, bar, student dormitory, museum – even a coat-check girl - are available.

Every game passes the high standard for quality and content restrictions of mobile operator.

### Screenshots >
